TO WHOM IT MAY CONCERN

The capital Ankara, which is political center of national and international traffic has thousand years of history, has a greeat potential in Health Tourism.

It is obvious that Ankara will hold a great share in health tourism with the help of an efficient marketing policy and of increased capacity in the Health Tourism Sector.

Health Investment of Aloha Corporate Group, wich has accomplished great works in different fields of the tourism sector, will definitely improve the Health Tourism in Ankara.

We wish the Aloha Corporate Group all the best and we give full support to their Health Hourism investments.

Doğan ACAR
Ankara Culture and Tourism Director
